WORK EXPERIENCE

Application Development Associate
Accenture

02/2021 - 07/2022

- As an Associate Software Engineer specializing in testing, I played a crucial role in ensuring the quality and functionality of software systems.
- My role involves utilizing testing frameworks, conducting regression testing, and providing valuable feedback to enhance overall product reliability.
- Collaborated closely with developers, providing valuable insights into software defects and improvements.

PERSONAL PROJECTS

Chat Web Application ⬈
- Developed a chat application using MERN, Redux Toolkit, Socket.io, TailwindCSS, and Daisy UI, ensuring a modern and responsive user experience.
- Enabled real-time messaging, online user status and notifications through Socket.io and Redux Toolkit.

MERN Stack Food Delivery Web Application ⬈
- Developed a full-stack food delivery application using the MERN stack, enabling users to browse menus, place orders, and check the placed orders.
- Implemented user authentication with JWT Tokens and secured password storage using Bcrypt, ensuring robust user data protection.

GPT-UI/UX ⬈
- Developed a fully responsive, full-length homepage for a GPT AI tool using React and CSS, delivering a visually compelling and modern user experience.

EDUCATION

Bachelor of Engineering
Osmania University

2016 - 2020   *CGPA - 7.36*

- Mechanical Engineering

Intermediate
Narayana Junior College

2014 - 2016   *Percentage - 97.9*

- Mathematics, Physics, Chemistry

High School
Mahathi Vidya Niketan High School

2014   *GPA - 9.2*

SKILLS

MERN Stack   JavaScript   React.js   Java

Node.js   Data Structures & Algorithms

HTML & CSS   Git & GitHub

ACHIEVEMENTS

Improved test documentation, developed comprehensive test cases and plans, reduced ambiguity by 30%, and enhanced testing efficiency.

Recipient of FFE (Foundation for Excellence) & REDDY Scholarships (2016 - 2020)

Convenor, MEGA 2K19

CERTIFICATES

The Complete Web Development 2023 Bootcamp
Udemy

Salesforce Administrator (04/2022)
Salesforce

INTERNSHIP

DRDO (Defence Research and Development Organization) (05/2019 - 06/2019)
Aera : Solid Propulsion Systems
